 **Whirlpool professional refrigerated tables** provide huge storage capacity and a functional, sturdy worktop. Models in the range feature 1, 2, 3 or 4 doors and are all in AISI 304 stainless steel both internally and externally. All models are equipped with an easy-to-read digital display. Ease of use and maximum quality are the hallmark of Whirlpool professional appliances, a perfect choice for top performance. Whirlpool offers two ranges of professional refrigerated tables:

- **DESIGN Series:** maximum performance, quality, care of details and a variety of choice
- **TRADITIONAL Series:** perfect combination of functionality and robustness, together with a variety of choice.

 **Les tables réfrigérées professionnelles Whirlpool** ont une grande contenance et un plan de travail résistant et fonctionnel. Les modèles de cette gamme existent avec 1, 2, 3 ou 4 portes. Ils sont entièrement revêtus, à l'intérieur comme à l'extérieur, d'acier inoxydable AISI 304. Tous les modèles sont équipés d'un écran numérique facile à lire. Les appareils professionnels Whirlpool se distinguent par leur grande simplicité d'utilisation et leur remarquable qualité. Choisir un appareil Whirlpool, c'est être sûr d'obtenir des performances du meilleur niveau. Whirlpool propose deux gammes de tables réfrigérées professionnelles :

- **DESIGN Series :** performances de haut niveau, qualité, soin du détail et vaste choix
- **TRADITIONAL Series :** conjugaison parfaite entre fonctionnalité et robustesse, parallèlement à un vaste choix.

 **Die professionellen Kühlische von Whirlpool** bieten eine sehr große Lagerkapazität und eine funktionelle, robuste Arbeitsplatte. Die Modellreihe umfasst Modelle mit 1, 2, 3 oder 4 Türen, alle innen und außen aus AISI 304-Edelstahl. Alle Modelle sind mit einem gut lesbaren Digital-Display ausgestattet. Mit Benutzerfreundlichkeit und höchster Qualität, dem Markenzeichen aller professionellen Geräte von Whirlpool, erfüllen diese Tische jeden Anspruch an optimale Leistungsfähigkeit. Whirlpool bietet zwei Modellreihen professioneller Kühlische an:

- **DESIGN-Serie:** maximale Leistungsfähigkeit, Qualität, detailgenaue Verarbeitung und große Auswahl an Ausstattungsvarianten
- **TRADITIONSSERIE:** optimale Kombination aus Funktionalität und Robustheit sowie eine große Auswahl an Ausstattungsvarianten.

 **I tavoli refrigerati Whirlpool** hanno un'ampia capacità di stoccaggio e un robusto e funzionale piano di lavoro. La nostra gamma si compone di prodotti a 1, 2, 3 o 4 porte e sono tutti in acciaio AISI 304 sia all'interno che all'esterno. Sono tutti dotati di un display digitale di facile lettura. Facilità d'uso e massima qualità sono le caratteristiche dei prodotti Whirlpool professional, la scelta perfetta per risultati al top. Whirlpool professional offre 2 gamme di tavoli refrigerati:

- **DESIGN Series:** massime prestazioni, qualità, cura dei dettagli e varietà di scelta
- **TRADITIONAL Series:** perfetta combinazione di funzionalità e robustezza, unite ad un'ampia varietà di scelta.

 **Las mesas refrigeradas Whirlpool** ofrecen una gran capacidad de conservación y una mesa de trabajo resistente y funcional. Los modelos de la gama presentan 1, 2, 3 o 4 puertas y están revestidos de acero inoxidable AISI 304, tanto en el interior como en el exterior. Además, todos los modelos disponen de pantalla digital de fácil lectura. La comodidad de uso y la máxima calidad son la marca de fábrica de los aparatos profesionales Whirlpool, la elección perfecta para obtener prestaciones de máximo nivel. Whirlpool ofrece dos gamas de mesas refrigeradas profesionales:

- **Serie DESIGN:** máximo rendimiento, calidad, cuidado de los detalles y variedad de opciones
- **Serie TRADITIONAL:** combinación perfecta de funcionalidad y solidez, junto con una gran variedad de opciones.
