ŠOK HLADNJACI

Model	Opis proizvoda	Specifikacija	Slika	Cijena u KN	Cijena u EUR
ADN 251	Shock Freezers - Design Series	5 trays, GN 1/1 (600x400), 1 (Inox) door, standard tray positioning, motor included into the product, 20 kg capacity in freezing, 12 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual Air defrost, Manual water evaporation, R404a, 230V 50Hz 1+N~, 950 W power, -25°C evaporation T°, Hermetic compressor 7/8 Hp		29.124	3.962
ADN 252	Shock Freezers - Design Series	10 trays, GN 1/1 (600x400), 1 (Inox) door, standard tray positioning, motor included into the product, 40 kg capacity in freezing, 25 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual & Automatic Hot Gas, Manual water evaporation, R404a, 400V 50Hz 3+N~, 2500 W power, -25°C evaporation T°, Hermetic compressor 1,8 Hp		54.764	7.451
ADN 255	Shock Freezers - Design Series	10 trays, GN 1/1 (600x400), 1 (Inox) door, Long side along the depth tray positioning, motor included into the product, 40 kg capacity in freezing, 25 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual & Automatic Hot Gas, Manual water evaporation, R404a, 400V 50Hz 3+N~, 2500 W power, -25°C evaporation T°, Hermetic compressor 1,8 Hp		60.917	8.288

Cijene su izražene u kunama, bez PDV - a, FCO skladište Zagreb
Sve navedene informacije o proizvodima podložne su promjenama

Model	Opis proizvoda	Specifikacija	Slika	Cijena u KN	Cijena u EUR
ADN 253	Shock Freezers - Design Series	14 trays, GN 1/1 (600x400), 1 (Inox) door, standard tray positioning, motor included into the product, 55 kg capacity in freezing, 35 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual & Automatic Hot Gas, Manual water evaporation, R404a, 400V 50Hz 3+N~, 3000 W power, -25°C evaporation T°, Hermetic compressor 2 Hp		71.600	9.742
ADN 256	Shock Freezers - Design Series	6 trays, GN 2/1 (600x800), 1 (Inox) door, standard tray positioning, motor included into the product, 50 kg capacity in freezing, 30 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual & Automatic Hot Gas, Manual water evaporation, R404a, 400V 50Hz 3+N~, 3000 W power, -25°C evaporation T°, Hermetic compressor 2 Hp		65.019	8.846
ADN 254	Shock Freezers - Design Series	10 (H=40mm) trays, GN 2/1 (600x800), 1 (Inox) door, standard tray positioning, motor included into the product, 75 kg capacity in freezing, 50 kg capacity in chilling, ext.dim.in mm, Electronic (with Automatic cycles management) control, Manual & Automatic Hot Gas, Manual water evaporation, R404a, 400V 50Hz 3+N~, 3500 W power, -25°C evaporation T°, Hermetic compressor 3 Hp		85.531	11.637
